**Re: Marine Terminal 1 South Site
Groundwater Sampling Report
ECSI No. 2642**

Dear Mr. Struck:

The Port of Portland (Port) has prepared the Groundwater Sampling Report for the Marine Terminal 1 (T1) South Site. Seven monitoring wells were sampled on January 17 and 18, 2002 in accordance with the Oregon Department of Environmental Quality (DEQ) approved T1 South Work Plan Addendum No. 2 for Groundwater Monitoring, dated August 1, 2001. The attached report documents groundwater sampling results and the groundwater analytical data validation. Two copies of the report are provided for DEQ review.

Please contact me at (503) 944-7533 with any questions.

Sincerely,

A handwritten signature in cursive script that reads "Joe Mollusky".
